Volver, breath of new light.

At Terzani, we are fortunate to work with some of the brightest young stars in Italian design. For Volver, designer Diego Bassetti and architect Andrea Panzeri of Studio 14, protégés of Bruno Rainaldi, applied their multidisciplinary approach to create Terzani's first led suspension light. This geometric design combines thin chains with the latest in led technology to create a light that is both elegant and modern. A breath of new light, Volver melds technology and art to achieve a new level of luxury. Available in a circular variation. Design Studio 14.
