

Stream, iridescent light.

Another stunning design from Christian Lava, Stream is an impressive presence in any room. Like Christian's other work for Terzani, Etoile, Stream's design exploits the physical characteristics of the materials used to envelop a room in unique, immersive light. Here, over seven kilometers of metal chain appear to flow down from the undulating, plated frame. These cascading tiers project streaking, yet tranquil, shadows throughout the room. Design Christian Lava.
