Terzani continues to reinvent the classics. With Soscik, that combines traditional, artisan techniques with cutting-edge technology to give the traditional chandelier a modern update. Created by interlacing metal chain over a nickel-plated frame, Soscik creates a dramatic and romantic effect, while still being able to compliment today's modern luxury. Available as a chandelier or a ceiling lamp, Soscik proves that modern design does not have to sacrifice luxury. Available in nickel, bronze, gold and champagne plated finishes.
