Ø4.7"-12cm

Reinventing the classics. With Soscik, Terzani combines traditional, artisan techniques with cutting edge technology to give the traditional chandelier a modern update. Created by interlacing metal chain over a nickel-plated frame, Soscik creates a dramatic and romantic effect, while still being able to compliment today's modern luxury. Available as a chandelier or a ceiling lamp, soscik proves that modern design does not have to sacrifice luxury. Design Nicolas Terzani.
