

## Soscik, classic form, modern look.

Terzani continues to reinvent the classics with Soscik, which combines traditional artisan techniques with cutting-edge technology to give the traditional chandelier a modern update. Created by interlacing metal chain over the frame, Soscik creates a dramatic and romantic effect while still complementing today's modern luxury. Available as a chandelier or a ceiling lamp, Soscik proves that modern design does not have to sacrifice luxury. Design Nicolas Terzani.
