

G.r.a., gyrating romantic rings of light.

This clean, precise form is the result of hours of labor by our artisans, who meticulously weld each ring together. G.r.a. is a delicate, refined pendant whose intricate shape belies its romantic glow. Available as an oval or a sphere and finished in nickel, gold plated, or gold leaf, G.r.a. serves as an elegant, unobtrusive complement to any room. Design Bruno Rainaldi.
